

## GOLDEN BODY MILK

#HealthyGlow #SparklingSkin #BrightMoisture #ProlongSummerTan

### Description

Sparkle!!!

A body milk with illuminating encapsulated golden mica and a tan activator that extend summer's skin tone and help achieving a beautiful, natural colour and glow. With strong moisturizing properties and a light yet nourishing texture, it promotes a healthy and comfortable skin. And all that with naturality >99%.

### Ingredients

#### Sustainable self-tanner

A biotechnological ingredient that colourises the upper skin layers providing a natural and water-resistant tan, with very long-lasting effect.

#### Microencapsulated golden mica

Let's experience a colour transformation upon product application: the golden tone is released onto the skin providing a unique glowing experience.

#### Moisturizing complex

Natural oils + bio-active phytosterols + organic osmolyte = deep, immediate and long-lasting hydration.

#### Emollients

A balanced combination of natural silicone alternatives, palm-free / RSPO MB ingredients to deliver a unique texture.

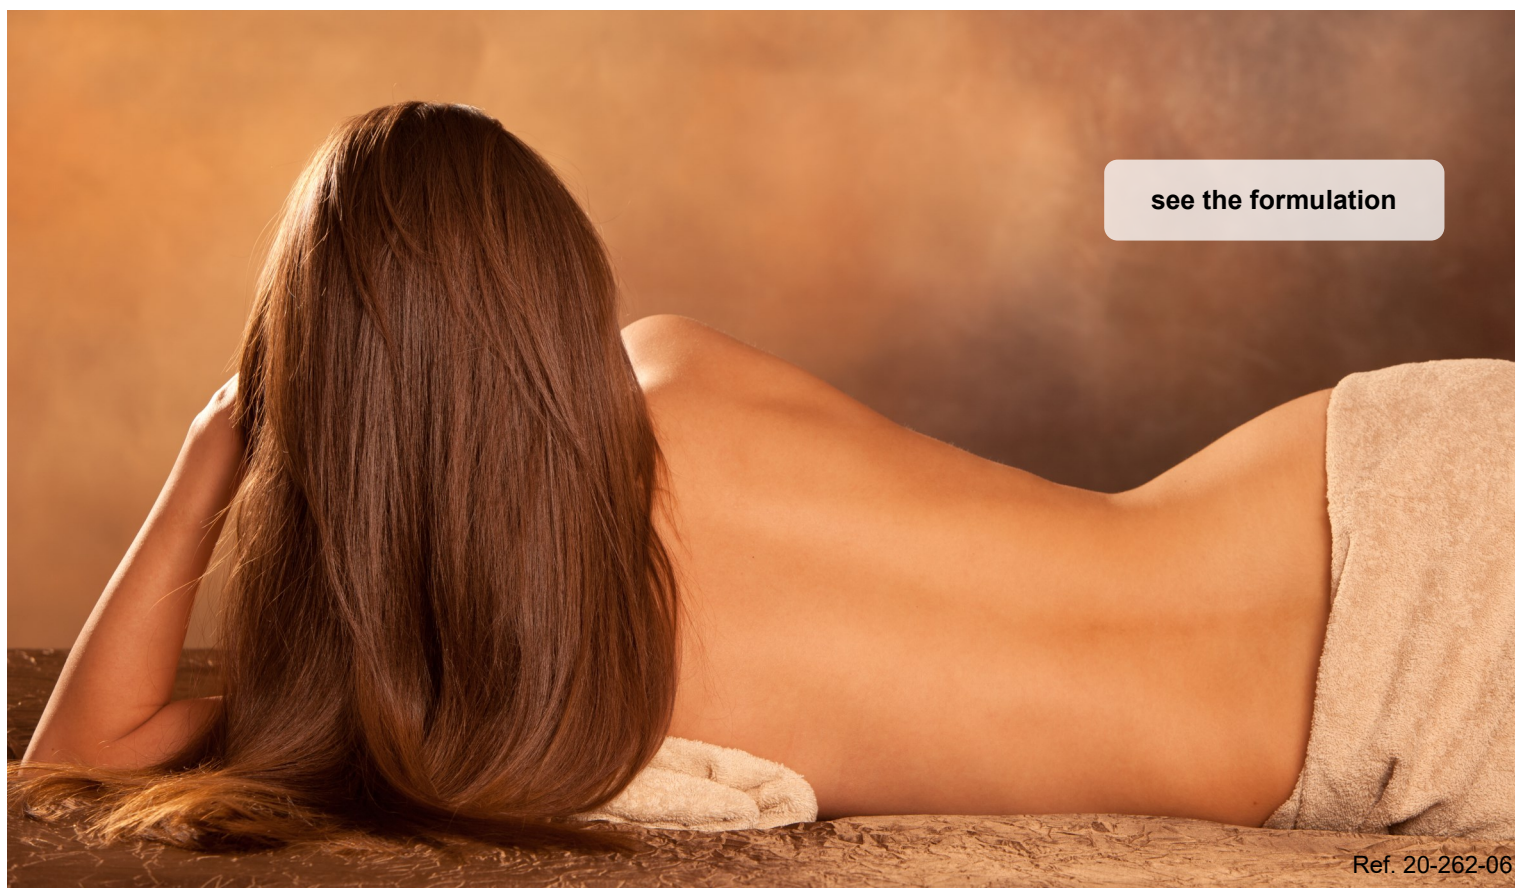

### How to use

Apply on the skin with a gentle massage.
