Description

Hang beauty on your Christmas tree!

An original 2-functions solid soap: a cool Christmas ornament to be upcycled to a soft and colourful cleanser afterwards. Enriched with moisturising and whitening actives for a healthy and good looking skin. Enjoy skin care during the most magic period of the year.

MERRY X-MAS!!!

Ingredients

The Cleansing Base

Combines effective cleansing and pleasant skin feel with the visual impact offered by its superior clear appearance and excellent foam. Nice on the tree, perfect on your skin.

The Actives

A balanced combination osmolytes and sea water guarantee the skin optimal water levels. Moreover, the visual particles carry natural whitening actives that whiten skin and smooth imperfections instantly! Your skin will look good & feel good.

The visuals

Stunning visual impact obtained from cellulose and sugars. A playful Xmas colours experience.

How to use

1. *December*: hang it on your Xmas tree.
2. *New year*: hang it on your shower.
Rub between wet hands until foam is formed; massage that soft foam over your skin before rinsing thoroughly.
