Ingredients

Rheological Modifier

Natural ingredient extracted from the red alga *Furcellaria lumbricalis*; builds viscosity to provide a rich, luxurious and jelly texture. Very fresh on the skin!

Skin Cleanser

A "sulfate-free" blend for a mild cleanser. Low skin irritation! Get rid of pollutants, oil, dead skin cells and dirt and preserve a healthy layer of natural oil and moisture on the skin.

Emollient

Acts as a natural water-soluble emollient (refattening) and a solubiliser agent. 100% obtained from vegetable resources. It provides emolliency to the skin leaving it soft and supple.

Skin Protector

Helps to protect the skin against oxidative stress, reducing pollution induced lipids. It also improves the skin barrier functions; decreases substance penetration and contributes to create a skin detoxification. Stay away from toxicity!

How to use

Apply to damp skin, clean with gentle movements and rinse with water.

INCI List

Aqua, Xanthan Gum, Hydrolyzed Furcellaran, Glycerin, Propanediol, Cocamidopropyl Betaine, Sodium Lauryl Sulfoacetate, Sodium Lauroyl Sarcosinate, 1,2-Hexanediol, Caprylyl Glycol, Polyglyceryl-4 Caprate, Polysorbate 80, Caprylic/Capric Triglyceride, CI 75130, Tocopherol, Ascorbyl Palmitate, Olea europaea (olive) Fruit Oil, Betaine, Proline, Serine, Inositol, Citric Acid, Sodium Benzoate, Cellulose, Xylitol, Tapioca Starch, Microcrystalline Cellulose, Hydrogenated Castor Oil, Simmondsia Chinensis (jojoba) Seed Oil, Algin, Cellulose, Parfum
