Ingredients

Moisturizer

An upcycled osmolyte and foam enhancer that protects the scalp for stronger and healthier-looking hair.

Pure emolliency & multifunctionality

Increases hair volume, hair elasticity and its brightness. Seawater and colour protection. A 2-1 perfect for your hair. Leaves a unique soft sensation on the hair with a long lasting silky touch. Creates a satin effect and a shinny aspect.

Cationic wheat protein derivative

100% Vegan. Great moisturizing, it helps to untangle, soften and add volume to the hair. It effectively protects the hair from physical aggressions and chemical dryness cause by the use of dryers, irons, perms and dyes or external environment agents.

How to use

Shake well before use. Spray on damp or dry hair on lengths and ends. Do not clarify. For daily use.
