

SOFT PUMPLING LIP BALM

#LipVolume #Nourish #SilkyTouch #YourBalm

Ref. E17-033-06

[Request formulation](#)

Description

Hydrating and nourishing pumpling lip balm.

It combines powerful actives to give you a boost of lasting hydration and volume for silky lips. It combines oil soluble HA and a natural pumpling agent. What's better than this balm?

Your on-the-go lip balm!

Ingredients

100% natural Balm Base

Multifunctional natural Balm Base, soft and smooth with a dry touch.

Moisturizing agent to soften your lips!

Creates a delicate film which imparts maximum comfort and suppleness to the skin.

Pigment dispersion

Polymeric pigment dispersant (oil soluble)

Pumpling agent

Enable to regain volume and erase wrinkles. Pump up the volume!

HA, a must!

Beyond HA, highly hydrating hyaluronic acid which for the very first time can be formulated in oil and powders.

Moisturizing skin agent

Ecocert-compliant moisturising skin silkener with superior skin feel. Improves pigment dispersions: processing - wetting

How to use

Apply a good amount on the lips, throughout the day.
