

## United Nations World Oceans Day 8 June 2023

### PLANET OCEAN: TIDES ARE CHANGING

Oceans are crucial to human survival; protecting them is a must, and we can do that in so many ways! Our proposal: let's work together to develop **Ocean's-Safe personal care products!**

#### OCEAN's-SAFE YOUTH ESSENCE

#WorldOceansDay #NoPlastics #SustainableMarineIngredients #OceansSafeCare

##### Description

Rejuvenating marine facial serum: feel the power of algae.

Your skin will go through a 3D well-aging experience. Boosted natural defences to fight radiation. Microbiota balance to bring back health and barrier. Integrative approach to skin structure [moisture, firmness, density, elasticity and smoothness] in order to reveal the natural glowing beauty of maturity.

An evanescent oily essence with a nourishing yet light texture; the best 1st step of your daily skin care routine.

##### Ingredients

###### Microalgae

A cocktail of microalgae derived actives ensure skin health whilst reverting aging signs.

Powerful marine ingredients obtained through a 100% sustainable technological platform, preserving ocean's integrity; an example of true Circular Economy that allows for the obtention of marine ingredients without damaging the oceans or the environment:

###### Green vegetable emollient

Plants take the lead. Experience a vegetable ideal texture, the most pleasant green sensation. Enjoy the nourishing and highly spreadable touch and the light after-feel provided by this optimised combination of naturally derived oils.

##### How to use

Apply a few drops of the youth essence onto the face, neck and décolleté after cleansing. Massage smoothly until complete absorption.
